10.Date : 26 Jul 2021
Event : Beti Bachao Beti Padhao
Venue : Cadets at Home – Online
Participated : ANO Flt Lt V Jayaprakash & 34 Air Wing Cadets
Program : Beti Bachao Beti Padhao, We the Cadets of Sathyabama NCC Air Wing made videos and wrote some articles to make people aware of Beti Bachao Beti Padhao scheme and posted them on Social Media: WhatsApp, Instagram and Facebook Status & Post.

BETI BACHAO BETI PADAO
 (SAVE THE GIRL CHILD, EDUCATE THE GIRL CHILD)

F/K RAVI SANKARAN/ANAYANA
 7A19SDF961330.

Beti Bachao Beti Padao programme is a nation wide scheme launched purposefully to address the issue of decreasing girl child ratio in the society as well as empowering girl child in the country. This scheme was successfully launched by the Indian Prime Minister Narendra Modi on 22nd of January in 2015. At Panipat, Haryana. This scheme is to make people aware of the importance of girl child in the Indian society as well as bring some positive changes in the people mindset towards girl child. People in the Indian society have very rude mindset about the girl child. They think that girls are like burden in their life who only need to take whole life from their parents or husbands and never give their own priorities. However, it is not true girls occupy almost half responsible for the existence of life on earth. Less importance of girl child in the human society is causing suspense of life existence on the earth, as where there is no women, no new birth would be.

The Beti Bachao Beti Padao scheme comprises of Primary reasons - The rising crime against women and the low child sex ratio. Abortion of female foetuses became the highest discrimination against a girl child leading to a massive drop in the sex ratio. The 2011 population census by Population Census revealed that India comprised 943 Females per 1000 Males. Thus to curb the existing prejudice of gender discrimination, the Beti Bachao Beti Padao scheme was introduced in all the states and Union Territories of India.

The scheme aims to save girl child, provide them with proper education and security, assist them with personal and professional development, and eliminate female foeticide all over the country. The primary aim of the welfare project is to prevent the drop in the female child sex ratio, thus encouraging women's empowerment through the improvement of the women status in the country. This was initially in the state of Haryana due to the lowest female sex ratio 771/1000 and now has effectively applied in all the districts and states across the country.

This campaign is a joint venture by the Government of India and the bi-ministerial welfare groups -
 → The Ministry of Human Resource Development.
 → The Ministry of Health and Family Welfare.
 → The Ministry of Women and Child Development.

Beti Bachao Beti Padao scheme aimed to reduce sex discrimination and imbalance and to provide girls with financial and social independence. To make a drastic impact in the society, all should join in hands for upliftment of the girl child. It is the way to achieve positive changes in the human negative mindset toward girls. This scheme may make a call to people to end the discrimination between sons and daughters and work as a key to end female foeticide. Empowering women brings all around progress especially in the family and society and thus help in the progression of the nation as well.

AATMA-NIRBHAR BHARAT

Aatmanirbhar Bharat

— Flt V. Jagadeesh
(17NCC07961327)

Aatmanirbhar Bharat :-

"Aatma Nirbhar", which is a Hindi word meaning in English is "self Reliant" which also refers self dependency on other as don't be dependent of others. 'Aatma Nirbhar Bharat' is basically a term formulated at the time of pandemic COVID-19 in India. It is actually the vision of our Hon'ble Prime Minister Sri Narendra Modi ji to make India and Indians self reliant by starting production of all mandatory items locally.

Motive Behind Aatmanirbhar Bharat :-

India is dependent on lot of imports from many countries across the world and pays a large import bill in comparison to export. During the time of pandemic all the import and export activities across the world was on halt. Transportation on goods and services were stopped. Then it was very difficult to live without resources as import of goods were not possible due to termination of transport activities.

India faced problems in terms of shortage of hospital beds, PPE kits, Covid test kits, medicines, ventilators and other necessary respiratory and medical equipments. We realized that it is the time for us to depend upon indigenous innovation, products and local manufacturing to fulfill these demands and promote production of these items in the country. Our Prime Minister Sri Narendra Modi started 'Aatma Nirbhar Bharat' Campaign.

He defined the five pillars of Aatmanirbhar Bharat to boost the economy and to turn difficulties into opportunity.

↳ The five pillars of Aatma Nirbhar Bharat :-

- * Economy
- * Infrastructure
- * System
- * Vibrant Demography and
- * Demand

On 12 May 2020, our Prime Minister raised a clarion call to the nation giving a kick start to the Aatma-Nirbhar Bharat Abhiyan and announced the special economic and Comprehensive package of ₹1.7 lakh crore equivalent to 10% of India's GDP to fight COVID-19 Pandemic in India. Finance Minister further announced Government Reforms and Enablers across seven sectors under Aatmanirbhar Bharat.

Aatma Nirbhar Bharat actually means that we are able to produce the product indigenously, what we need and eventually play a large role in the global economy by exporting the product. This was the real vision of Aatma Nirbhar Bharat.

Ayushman Bhand

This is a national health insurance scheme of the state that aims to provide free access to healthcare for low income earners in the country. Roughly the bottom 50% of the country qualifies for this scheme. The scheme Ayushman Bharat was launched on 23rd September, 2018 by Ministry of health & family welfare.

Features

PM-JAY include the following providing health coverage for 10 crores households or 50 crore Indians, providing a cover of 5 lakh rupees per family per year for medical treatment in hospitals both public & private sector.

It reaches to the people both in states & union territories it even reaches to the local people also more than 1 crore people are benefited by the scheme. offering cashless payment & paperless record keeping through the hospital or doctor's office, this have no restrictions on family size, age or gender all previous medical conditions are covered under this scheme. It covers 3 days of pre hospitalisation & 15 days of post

of post hospitalisation. It also provides access to free COVID-19 testing.

Despite various available regional and national programs for healthcare in India, there was much more to be done. The number of public and private hospital empowered nationwide stands at 24,432. The Ayushman Bharat Yojana programme announced a special collaboration with the Employees' State Insurance Programme in November 2019.

Recording You are viewing CADET Annaliza's screen View Options 00:23:31

WHY WAS THE WAR HELD AT KARGIL?

- ❑ The terrain was conducive to the preemptive seizure of several unoccupied military positions.
- ❑ A defender on the high ground would enjoy advantages akin to that of a fortress.
- ❑ Kargil is just 173 km from the Pakistani controlled town of Skardu.

Program : In the Event of Honouring India's Gallantry Awardees, We the Cadets of Sathyabama NCC Air Wing participated in **Online Declamation Competition** on the theme **'Say No to Single-Use Plastic'** highlighting the harmful effects of single-use plastic and why should it not be used.

Disadvantages

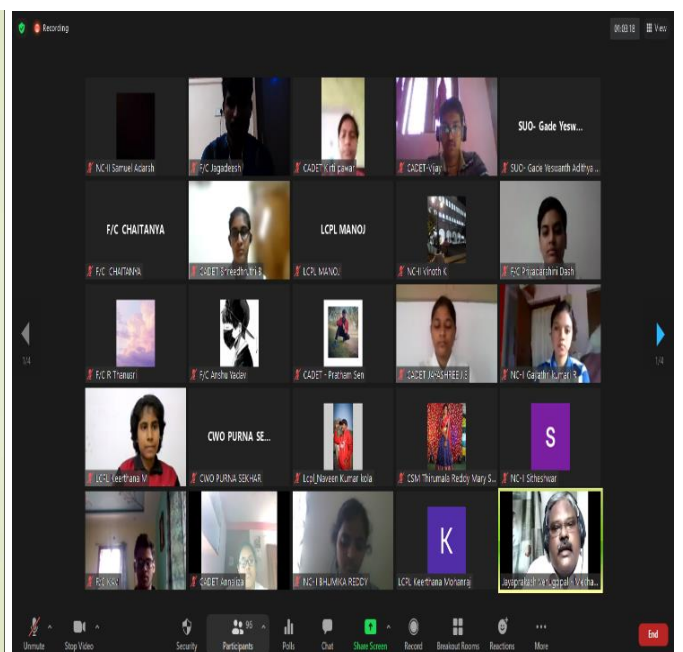

- Produce toxic fumes when burn
- Low heat resistance
- Non biodegradable
- Produce pollution
- Recycling its costly
- Poisonous gases produce during decomposition cause cancer
- Chocking drain system
- Lanfilling
- Kill animals
- Destroy environment

Other step we can take

- Don't ask for polybag for small purchases
- Make people aware about it and tell at least one person to stop using it
- Always carry your own hand made bag
- Start packing stuff on paper

-SWITCH- FROM PLASTIC TO RECYCLABLE ECO-FRIENDLY KRAFT PAPER BAGS

Introduction

One of the most memorable days in Indian history is 15th August. It's the day on which the Indian sub-continent got independence after a long struggle. India only has three national festivals that are celebrated by the whole nation as one. One being the Independence Day (15th August) and the other two being Republic Day (26th January) and [Gandhi Jayanti](#) (2nd October). After independence, India became the largest democracy in the world. We fought very hard to get our independence from the Britishers.

STAY SAFE
Happy Independence Day

23.Date : 02 Sept 2021

Event : Meet with JWO RK Yadav (AFS Tambaram) on Meteorology

Venue : Cadets at Home – Online

Program : We the NCC Cadets of Sathyabama Institute of Science and Technology under the guidance of Associate NCC Officer Flight Lieutenant V Jayaprakash, **Junior Warrant Officer Randhir Kumar Yadav as the Speaker of the day, conducted a session on Meteorology.** The session was very informative and helpful. The topics covered in the first part of the session were MET briefing, specifications of **MET briefing**, preparations of MET briefing and also discussed the **types of clouds** and **Mass MET briefing**. In the second part of the session, we were briefed about the different **types of wind, directions of wind and speed** of wind by Associate NCC Officer Flight Lieutenant V Jayaprakash.

The screenshot shows a Zoom meeting interface. The main content is a slide with a blue background. At the top left of the slide is a cartoon character pointing to a line graph. The title 'MET BRIEFINGS' is in large yellow letters. Below the title, the text reads: 'MET BRIEFING IS TO BE PROVIDED BY MET SECTION AT AN AIRFIELD FOR ALL AIRCRAFT OPERATIONS.' A bullet point in pink text states: 'MET CHARTS USED FOR THE BRIEFING ARE TO COVER AN AREA TO SHOW THE METEOROLOGICAL SITUATION IN RELATION TO THE AREA OF MISSION.' The Zoom interface includes a 'Recording' indicator, a 'You are viewing JWO RK YADAV's screen' notification, a 'View Options' dropdown, a video thumbnail of JWO RK YADAV, and a bottom toolbar with icons for Unmute, Stop Video, Security, Participants (106), Polls, Chat, Share Screen, Record, Breakout Rooms, Reactions, More, and an End button.

25.Date : 18 Sept 2021

Event : Career in Armed Forces

Venue : Cadets at Home – Online

Program : We the NCC Cadets of Sathyabama Institute of Science and Technology under the guidance of Associate NCC Officer Flight Lieutenant V Jayaprakash, attended a webinar on “**Career in Armed Forces**” and Ex-NCC Cadet of Sathyabama; Cadet Captain Chintham Pothuluri Saieswar Reddy as the speaker of the day. Students from BSc, MSc, Science department and other faculty members also participated in the webinar. The session was very informative and helpful. The topics covered were Armed Forces as a career, Armed Forces entry schemes (for 10+2, Women, University Students and NCC Special Entry), NDA and NA examination, and the SSB schedule.

The poster features the Sathyabama Institute of Science and Technology logo and the NCC logo at the top. The main text reads: "National Cadet Corps ORGANISES ONLINE WORKSHOP ON CAREER IN ARMED FORCES". Below this, it states "Session Handled by:" followed by a portrait of Cdt Capt Chintham Pothuluri Saieswar Reddy, B.E. The event details are: "18 Sep 2021, Saturday 1630 - 1730 Hrs" and a Zoom link: "https://tenacityhr.com/stm-zoom/career-in-armed-forces/". At the bottom, there are three columns of names and titles: CHIEF PATRONS (Dr. Mariazeena Johnson, Dr. Marie Johnson, Mrs. Maria Bernadette Tamilarasi Johnson), PATRON (Dr. T. Sasipraba), and CONVENERS (Fit Lt V Jayaprakash, Sub Lt Dr M Anish, Lt P Chandrasekar). ORGANISERS listed are Dr. Amirdha Sher Gill and Dr. M. Manjula.

DEVELOPMENT OF INDIA SINCE 1950

Constitution -declares India a SOVEREIGN, SOCIALIST, SECULAR AND DEMOCRATIC REPUBLIC.

As of October 2021, there have been 105 amendments of the constitution of India.

On the Republic Day, the Indian Air Force came into existence. Before this, the Indian Air Force was a controlled body but after Republic Day, Indian Air Force became an independent body.

Importance of Road Safety

Road safety is important so that passengers, drivers, vehicles, pedestrians stay safe while driving. Road safety is important so that passengers, drivers, vehicles, pedestrians stay safe while driving

"If you know you are driving to your death—would you still drive so fast?"

Road safety is the safety of people from road side injuries and accidents. It is the prevention and protection of road accidents by using all the road safety measures. Every person going on the road has a risk of injury or death. Such as pedestrians, motorists, cyclists, passengers, etc. It is said that a person's brain works in such a way that it tells the concerned person how safe he is at that time. Wherever you go, wherever you are, your own safety is something you should be concerned about all the time.
