I joined Sathyabama with high ambitions and passed out in 2019. Since then I have joined a company called Freshworks Inc. It's been a great journey, and I was able to apply all my learnings during my time at Sathyabama where I work today.

I am writing this email to thank you as part of a special occasion my organization is going through and wouldn't have been possible without the opportunities I've got at Sathyabama.

Freshworks Inc has raised \$ 1 Bn dollars in IPO is now valued at \$ 10 Bn. It is the first Indian SaaS company listed on NASDAQ Stock Exchange. The Startup ecosystem is celebrating.

Alongside hundreds of my colleagues at Times Square, New York on NASDAQ Stock Exchange;

I am elated to share the following picture with you. I still identify myself as that same student outside of the classroom always, involving myself in events and student projects.

Thank you for being part of my learning journey.

Cheers!

Saif Ali Shaik
