Respected Madam,

Greetings,

Sub: Thanking Sathyabama University and Anbu Foundation for admitting our students- Reg.

As you know, we have been working with the children of crime victims since 2014, providing educational scholarships, psychosocial assistance, career counselling, and reintegrating them with mainstream society. We undertake frequent home visits to check up on these children and assess their development. We continue to serve this group of people while measuring the positive effects on the children. We have been replicating our model of intervention from Palayamkottai Central Prison to Madurai Central Prison.

Based on our request, the Sathyabama Institute of Science and Technology has offered our students the opportunity to be admitted in the course of their choosing at the esteemed institution with full scholarships, including free hostel accommodation and other expenses relating to the courses taken care through the ANBU FOUNDATION.
